

# TAYLOR RANCH NEIGHBORHOOD ASSOCIATION INC

Volume 2

NEWSLETTER

November 1981

OUR 2ND FLEA MARKET - Saturday, November 14th (that's this Saturday) at the Soccor field on Taylor Ranch Road from 9 AM to 3 PM. If you're a paid member you can have a space for \$2.50, if you're not it is \$3.00.

There should be lots to buy and plenty of folks to sell to. This should be a bigger success than our first and we're even renting a portable john for your comfort!

-----

Montano West Park is under way. The bids came in too high, so the Park Department decided to do it "in house," which means using city employees. The concrete walks are being poured, and soon the stone walls will be under construction.

Montano West is south of Montano, bordered by Flora de Mayo on the South, Cochite on the West and Hayes on the East. Drive by and watch the progress.

-----

There is a group trying to annex land along Coors Road for commercial development. This is the area approximately across the street from Volcano Cliffs nursery. Your board feels that the idea is in conflict with the West Mesa Guide Plan, which intends to discourage Coors from becoming another "strip" like Montgomery or Menaul. There is an Environmental Planning Commission hearing on Thursday, November 19 on the issue and some of us will attend. We'd like to see some of you there also. - If you want more information, call Ellen after 6PM 898-4450 (please note that the land in question borders Taylor Ranch).

A note about political things. Our last newsletter stated we had lost the portable building for a library that Mr. Rusk had promised us. Phone calls to both Mr. Kinney and Mr. Sanders headquarters got replies that libraries are high on both men's list of priorities and they are both willing to study our work with the previous administration to see if something can be done. This raises a happy note which we will follow up on as soon as possible.

-----

One benefit of membership in the Taylor Ranch Neighborhood Association is a great Christmas party.

We're going to use the Marie Hughes School for the evening of Friday, December 11. We are planning either a dinner or pot luck plus Christmas entertainment. The committee is still working out details. We need some help from the membership - so everyone who wants to lend a hand please call Ken Allen 897-4248. This will be for the entire family and think what a nice way it will be to get to know your neighbors in such a festive setting. (Sign up your friends as members so they can all attend).

At the party we'll have a brief meeting and will ask you to fill out a sheet with suggestions of what you'd like to see the group doing in the coming year - so come with ideas.

---

We are having a new member special. Sign up your neighbor as a member now and his \$10 dues are good through December 1982 (your dues for 1982 are paid in January).

We are enclosing a membership application to make it easy for you. If you need more than one or have any questions, call our membership chairman, Bob AliCarr, at 898-8287 or Wheeler Green at 897-4525.

The PTA at Marie Hughes is having a Holiday Fair on December 5 from 9AM to 4PM. They'll have a crafts sale, bake sale, book fair, Santa pictures, cartoons for the kids. There is still space available if you have a craft you'd like to make \$\$\$ on. For a mere \$5.00 fee you can get a table space. Call after 6PM to Judy 898-4043 or Sue 897-3420.

Volunteers are also needed. Call Charlotte 897-4576.
