April 1982 #4 Volume 3

Many people contributed to a successful 1982 Easter Egg Hunt, but the committee members deserve a special thanks: Scott Sinnock for organizing and coordinating tasks; Wheeler Green for returning the park to its beautiful condition; Brandy Turner for developing and distributing announcement flyers; Marilyn Stebbins for organizing games, leaders and obtaining prizes; Susie Sinnock for the organization of hard-boiling, coloring and hiding the eggs; Fred VanBerkel for getting food and soft drinks; Fidel Saiz for cooking hot dogs; Darrell McPherson for being prepared throughout the hunt to help wherever and whenever required; and last, but not least, Bunny Knoll for rising above required tasks to insure more decorated Easter Eggs. We've done it, everyone, good job. We all hope this indication of a coordinated TRNA Board and its helpers continues throughout the years to come. Aides to the committee were:

Our Annual Meeting was held March 24. Thirty-two members and four non-members attended. We heard a brief discussion of the Lorentzen Annexation request. Ken Allen reported the possibility that the new fire station could have a room for a community library. Mayor Kinney and Pat Baca, being aware of our efforts to set up some kind of library with past-mayor Rusk, are willing to back such a move. All members were delighted to hear this news and voted unanimously to ask Mr. Baca and Mr. Kinney to incorporate such a space in the new fire station.

We had some discussion on the Coors Corridor Study. Scott Sinnock was attending a study meeting that evening. Scott and others are trying to keep Coors a fast moving express type highway so we can all get to work on time.

The new bylaws were distributed, explained and voted on. They passed 22-7. Anyone who did not attend this meeting and needs a set of bylaws, please call Wheeler Green at 897-4525.

The budget for the coming year was read and approved. Our 1982-83 budget

Homemakers Clubs are a cooperatove extension service of the U.S. Department of Agriculture. They offer women the opportunity to meet socially in members homes to learn crafts and home-making skills. Meetings are usually one morning each month. You are invited to join this group and meet with other Taylor Ranch homemakers. For more information, please call Mrs. Verel Porter at 897-1078.

The city is sponsoring a clean up all week the 19th - 24th with special emphasis on Saturday the 24th. They invite us to help clean up our neighborhoods by picking up litter all over Taylor Ranch.
