

TAYLOR RANCH NEIGHBORHOOD ASSOCIATION IN

Ellen Adan, President 898-4450
Wheeler Green, Vice President 897-4525

October 1982

Volume 3 # 10

Our third quarterly General Membership Meeting on September 28 was not well attended. Guest speakers included candidates for the 29th Congressional District Hal Stratton and Lorretta Nazarett and County Commissioner candidates Pat Padilla and John Davis. Also speaking was Cliff Spirock of Community Sciences, a planning firm hired by Bellamah Development Corporation.

Ron Hatchet of the City's Traffic Engineering Department wishes to remind us and our neighbors that street trees need trimming so pedestrians can walk by. Many Taylor Ranch residents are in violation of this law, but he hasn't the manpower to cite everyone.

In order to make the Board meetings less formal and more neighborly in the spirit of the association, we are going to try something different. The next few Board meetings will be held in various Board members' homes. On Wednesday, November 3, the Board of Directors will hold its meeting in the home of Susan Sinnock. Please call Ellen if you wish to attend.

Taylor Ranch has a budding Director and Playwrite in its midst... Bunny Knoll. She has successfully produced one play this past summer and is working on another production to be presented to the general public in December. The play, Snow White, will be presented on December 17 and 18 at 6:30 pm and will star Jennifer Spicer as Snow White and Rachel Azbill as the stepmother. The Tioga Road Little Theater wishes to extend to all an invitation to attend this play at the Cross of Hope Luthern Church (in the Bellamah Building). The play itself will be intriguing, but the fact that it is produced by a 14 year old person working with approximately 18 youngsters between the ages of 1 and 13 will add to its enjoyment. Bring a friend, it will be worth every second.
