FLEA MARKET -- SATURDAY, NOVEMBER 13 -- 8 am - 2 pm at the soccer field on Taylor Ranch Road. For only \$2.50 a space (non-members \$3) you can rid yourself of all that accumulation of reusables. And feel free to come and browse...you may find something you have been wanting. See you there!!

Workers are needed at the home of Fred Van Berkle Friday evening before this event to help sort and size garments donated for the TRNA Flea Market. Fred's address is 5601 Calle Quieta - 897-2541. All general members are invited. Also we would love to have you helping sell these clothes during the Flea market. Perhaps you could spare half an hour or so and donate your time. We can use all the help we can get plus it is a great way to meet more of your neighbors. So come and help...a half hour isn't that long.

We're again planning a Christmas Party for the families belonging to our association. Santa will be there (or so rumor has it) for the children and the meal served will be one to be remembered. The date is December 10 -- the place is Marie Hughes school cafeteria -- the time is 7 pm. We would like to involve people other than Board members in the planning of this. If you are interested please call Fidel Saiz at 898-9517.

It has come to our attention that our Councillor, Pat Baca, has again come to the support of West Side residents. He is responsible for restoring funds to the City's Department of Environmental Health, Division of Air Quality, so they can have the personnel to follow through on the new ordinance for dust control that Board member Dale Dunn worked so hard to get passed. Dale is somewhat critical of the new regulations because they don't go far enough, but at least it's a beginning.

The Board inadvertantly did not approve it's newest member, Linda Misanko, correctly. So at it's monthly meeting in November, Linda was reconfirmed by 10 positive votes.

Your Board met this month at the home of its Treasurer, Susie Sinnock. Our next Board meeting will be at the home of Fred Van Berkle, 5601 Calle Quieta, 897-2541, on Wednesday, December 1. These meetings are open to all members, just call for specific directions and the time.
