

President's Message

Ceil van Berkel, President TRNA

Our quarterly general membership meeting in October turned into a controversial one. The City Parks and Recreation representative presented the plans for Mariposa Basin Park, which were opposed by Little League representatives. Little League wanted more of the space to be dedicated to joint use for baseball and soccer. Then the National Park Service presented four alternative plans for developing Petroglyph National Monument, which were opposed by residents of the neighborhoods around the Monument's access points.

During the Board meeting held after the presentations, the Board voted to support the existing plan for Mariposa Basin Park, leaving space for parking, basketball, and volleyball. We also voted to oppose any development use plan for Petroglyph Monument which does not include an extension of Paseo del Norte to Unser.

Our next general membership meeting will be less controversial. It is the TRNA Holiday Party at LBJ on December 8th. There is more information about the party and a reservation form later in this issue. The party is always a fun family evening. The children love the gifts and the parents enjoy a chance to visit with neighbors.

I'm sure you've noticed the Montañño right-of-way cleared from the west to the river. Does this mean a bridge will be under construction before Christmas? Or will there be another court-ordered delay? Stay tuned to the next thrilling episode in the continuing story of the Montañño Bridge saga.

I wish your family a Happy Thanksgiving and I hope to see you at the Holiday Party December 8th!

Nominating Committee

In December we will form a Nominating Committee. This committee will nominate a slate of candidates for the Board of Directors. We will vote for new Board members at the March general membership meeting. Our bylaws require that at least one member of the nominating committee not be a current member of the Board. If you are willing to serve on the nominating committee, please call Ceil van Berkel, 897-2541. ®

Michael Skroch,
Director TRNA,

Editor Mesa Messenger

Our two new requested features, TRNA Q&A and the classified ads have no activity on this, their first month in print. If you have general questions about Taylor Ranch or your neighborhood, please write in. If you have something to sell or a personal event to publicize, consider the TRNA classifieds.

As always, if you have questions about *Mesa Messenger* or would like to submit an article, give me a call.

Make sure to take advantage of the TRNA Annual Christmas Party, it's always a great community event that's fun for the kids. This year the Youth Committee will be helping out with decorations and other events at the party. Happy Holidays! ☺

Government News

Bob Woody, Director TRNA

The Environmental Protection Committee (EPC) voted to approve a site development plan for a 610-unit apartment complex at Eagle Ranch Road and Coors.

A zone change request from an R-I to an SU-I at the La Meriposa addition, block B, lots 1-3, was delayed until November 9th. IT came to my attention that the request for a retirement home was actually a re-request for 11 townhomes. I asked the City Planning Department for the delay so the Board of Directors could vote on a recommendation for less density. ☺

Pollen Allergies Update

Ceil van Berkel, President TRNA

The proposal to ban the sale of Cypress, Juniper, Mulberry, male Cottonwood, and Elm is on hold pending coordination with interested parties. If you wish to encourage Councilor Armijo to continue his efforts to reduce the ill health resulting from airborne pollen in Albuquerque, leave a message for him at the City Council office (768-3100).

In the meantime, Dr. Richard C. Field, an allergy specialist, would be willing to address groups interested in learning more about the health effects of airborne pollen in Albuquerque. If you would like Dr. Field to speak to your group on this problem, call his office at 265-6782. ☺

Recycling Hazardous Materials

Don't throw those hazardous materials like paint into the trash; take them to **Rinchem Company, Inc.** at 6133 Edith Blvd. NE on the west side of Edith between Montañó and Osuna. They will properly dispose of them for you. They take almost everything, including asbestos. They will not take radioactive materials such as those found in household smoke detectors. Smoke detectors may be thrown in the trash. They prefer you take oil to any **Zip Lube** or **Jiffy Lube** store. **The Goodyear Tire Center** in the **Ladera Shopping Center** has also volunteered to take used oil.

When: the first Friday and Saturday of each month from November through February. Any time in March through October.

Who: Anyone who can document that they live in Albuquerque or Bernalillo County (bring evidence).

Beautification Projects!!!

The Keep Albuquerque Beautiful Committee is sending applications out at the end of October and beginning of November for grant money to **anyone** willing to take on a public use beautification project. You must come up with matching funds for your project and a landscape plan. If you want to give it a try, I would be more

than willing to help you get started. I can be lots of fun.

Last year's recipients were:

1. Albuquerque Rose Society for the rose garden at the Prospect Park Library,
2. Riverton Subdivision on Golf Course Blvd.,
3. Project Share - used to buy seeds so the homeless could grow their own food,
4. Cactus Society, and
5. Albuquerque Garden Center.

For an application please call 857-8280. Deadline for applications is January 31, 1996. ®

Security Tip: Have doors with windows or windows next to your

doors? A burglar can break the window, reach in, and unlock this type of door. You might consider using a dual cylinder deadbolt where a key is used on both the inside and outside to operate the lock. Keep the key in the inside lock when your home and remove it when your away. Remember that this can be a hazard if you cannot get out locked door during a fire or other emergency because the key cannot be found. Do it yourself or call a locksmith. ®

Youth Committee News

*By Matt Fleming, Chris Lange, and

TRNA Youth Committee*

On Saturday, October 14, the TRNA Youth Committee (us), held a car wash at Albertson's parking lot. We washed lots of cars and raised enough money to go to the awards banquet at the Marriott Hotel on Friday the 20th. It was called the Neighborfest and was held at 7:00 pm. We were mentioned for being the only youth committee in the city that plans activities for kids our age.

Albertson's and **Quanz Auto Care** were sponsoring the car wash so we thank them for supplying water, chamois, washing mitts and glass cleaner.

Last Saturday, the 21st, TRNA held a youth dance at LBJ gym at 7:30 pm. We had about three hundred people show up, which was an outstanding turnout. We charged three dollars per person, and we even had a costume contest. The winner of the costume contest was Kala Miller, who won a five dollar gift certificate to Hastings.

Upcoming events are an open gym night at LBJ on November 18. Kids can come and play basketball or meet with their friends. Two more upcoming events are a movie night at LBJ gym and another afternoon or evening at Player's. Look for more information on all these events. ®

A white van has been observed picking up recycle newspapers at residents homes on trash days in Taylor Ranch. This happens to be against the law, but it deprives the City of income for the recycle program which could cost us higher fees in the future. Please keep an eye out!. If you see this happening note the time, location, vehicle description (license if possible) and get the information to the City by calling Will Hoffman at 761-8174. Leave a message if he is not there. The City will try to track down these thieves. ®

TRNA Annual Christmas Party

*Michele Duran Skroch,
Christmas Party Chair*

Merry Christmas! It must be getting close because the popular TRNA Annual Christmas party is almost here! This is one of the most popular events of the year, so don't miss out. This year it will be held Friday December 8th, 6:00 p.m. at the LBJ Middle School on Taylor Ranch Road. Come and share the

Christmas spirit with your neighbors. We'll be having food provided by the a new franchise in town, Kenny Rogers Rosters.

At the TRNA Christmas Party, each child in attendance receives a gift which depends on their age. Of course, we've arranged for Santa to make an early appearance at the party to hand out presents.

As a TRNA member this event is free to you and your children. Do you have friends that live outside of Taylor Ranch that may want to come? Ask them. You may host adult and children guests that do not live in Taylor Ranch; however, to offset costs for food and presents please send in \$3 for each non-resident adult guest and \$2

for each non-resident child guest. See the form below.

The Christmas Party Committee needs to have an accurate count and information for gifts to be handed out and food to be provided. We need to know the number of children and adults that will be in attendance. For the children, we need to know each of their ages. Please fill out a reservation form below and mail it by November 30th. If you'll be hosting non-resident guests, please send in a check.®
