

## President's Message

Ray Shortridge, TRNA President

The board is planning to invite the candidates for the Fifth District, Dan Lewis and Elois Gift, to make a few remarks at the September 11 TRNA board meeting. Please mark this on your calendar. I'm sure both will attend, but will email you to confirm their attendance. Although he is running unopposed in the First District, we'll also invite Ken Sanchez.

You might have received or seen the blue recycling trash bins at the curb that the Department of Solid Waste Management is distributing throughout the city. The results from the neighborhoods who have been participating in the pilot program are showing a greater than fifty per cent decline in trash put out in the non-recycling bins. This benefits us as taxpayers by reducing the amount of material sent to the land fill, thus extending its life, and by the payments to the City by the contractor who operates the recycling facility. For more information: <http://www.cabq.gov/solidwaste/recycling/residential-curb-side-recycling>

The City has launched a smart phone app that enables you to report graffiti, weeds, and other problems directly into the 311 system. One advantage of using the app, rather than calling in a complaint to 311, is that you can attach pictures of the problem which will assist the City to address it. Also, when the problem is resolved, 311 will send a report to your smart phone. For more information and to download the app: <http://www.cabq.gov/abq-apps/city-apps-listing/abq311>

## School Starts — Already!!

Hard to believe, but it's almost time for school to begin again. August 6th is when teachers and school staff report for duty, and the students begin on August 13th. Hope everyone has enjoyed their summer break. It sure seemed short-lived!

It's time to stock up on those school supplies while there are so many bargains to be had in our local stores. For a list of what your child needs, go to [www.aps.edu/parents/schools/supplies](http://www.aps.edu/parents/schools/supplies), or contact your child's school. Many of the stores have also printed the list out and will have copies for your use.

## Social Committee

Ken Newman, TRNA Board Member

The next TRNA Flea Market for the Scholarship Fund will be Sept 28, 7:30 am to 12:30 pm at the Cross of Hope. For space contact Ken at 974-5469 or [Juken1964@g.com](mailto:Juken1964@g.com). You can also mail in the form included in this newsletter along with your check.

Mark your calendar for the TRNA Holiday Luncheon to be held on Dec 7, 11:30 am to 1:30 pm at the Don Newton Taylor Ranch Community Center. Menu and reservation form will be included in future newsletters.

## Land Use Update

Rene Horvath, TRNA Director, Land Use

**1. Comprehensive Plan update/ Community Activity Centers/ facilitated meeting July 23<sup>rd</sup> Taylor Ranch Community Center:** The second facilitated meeting for the Comp Plan / Community Activity Center Update was held on July 23<sup>rd</sup>. Since this newsletter was going to press on the 23<sup>rd</sup>, a discussion of the meeting will be in next month's land use article. Please note that the Comp Plan Community Activity Center map amendments are scheduled to be reviewed by City Council on August 19<sup>th</sup>.

**2. Pulte / Del Web Homes / Watershed Subdivision/ 2<sup>nd</sup> EPC Hearing- July 11<sup>th</sup>:** The proposed Watershed subdivision was reviewed and approved by the EPC on July 11<sup>th</sup>. The applicant, Pulte Homes, requested approval for a site plan for subdivision on 285 acres north of 98<sup>th</sup> street and adjacent to Petroglyph National Monument. They plan to build 950 single family homes, 565 homes would be built by Del Web for an active adult community. The active adult portion of the development would be gated. The Westside Coalition including TRNA attended the May 21<sup>st</sup> facilitated meeting and June 13<sup>th</sup> EPC hearing. There was general support for the single family homes but there were also concerns about it being a gated community. The Mirehaven arroyo would be inside the gated community and also closed to the public. Concerns about mass grading, fugitive dust, and available

(continued page 2)

(cont'd from page 1)

water resources were also brought up at the June 13<sup>th</sup> EPC hearing. The EPC deferred the proposal for 30 days to allow the applicant more time to provide additional information and to address agency comments and public concerns.

At the July 11<sup>th</sup> EPC hearing, the Staff Planner recommended approval subject to conditions. The staff report indicated that there were still outstanding issues that needed to be addressed such as Monument access, grading/ fugitive dust, and a need for a clear development review process for future submittals in order to create consistency in design standards and compliance with regulations.

Consensus Planning represented Pulte Homes. They supported the staff recommendation of approval but not all of the conditions the staff recommended such as: conformance to topographical features, provide pedestrian access every 500 ft of the subdivision's perimeter wall, and continue the EPC's review of future site plans for that site, before it moves on to the DRB.

Public testimony included:

- a) The City Open Space department expressed concerns of having a gated community bordering at least a full mile of the Petroglyph National Monument boundary, closing it off from the public's enjoyment and also closing off public access to the Mirehaven Arroyo.
- b) TRNA representatives also testified that the gated subdivision would restrict the public's enjoyment of the National Monument in that area and close off the Mirehaven Arroyo from public use. They also expressed that the submittal lacked detailed information and supported more EPC review of future subdivisions proposed for that site.
- c) The Park Service expressed concerns about public access along the Monument boundaries and the need to protect nearby archeological resources. They supported the Planners request for more EPC review on future subdivision submittals before it moved on to the DRB.

After much discussion, the EPC approved 5-1 the Pulte Homes site Plan for subdivision as proposed. The first tract to develop adjacent to the Monument will have to return to the EPC for review. After that, the EPC can delegate future site plan review to the Planning Director or his/her designee before it goes to the DRB. The DRB stands for Development Review Board; they only review technical details of the plan. The DRB does not check whether the plan complies with the goals and policies of the Comprehensive Plan or the Westside Strategic Plan, the EPC members are responsible for that function.

**3. Oxbow Town Center/ facilitated meeting- July 17<sup>th</sup>:** The

Oxbow Town Center is located at Coors and St. Josephs. It extends from Coors Blvd. to Atrisco Drive. The Applicant is requesting a Sector Plan Amendment to change the zoning of Parcel A from SU-3 Office Use to Residential Town Homes (RT zoning). Parcel A is north of St. Josephs, parcel B, located south of St. Josephs, will continue to be zoned commercial. Approximately 30 people attended the facilitated meeting held on July 17<sup>th</sup>. Some neighbors spoke in favor of this proposal, while others expressed concern over the loss of office development. They feel the advantage of offices at this location would be to provide jobs on the west side, to help alleviate the traffic congestion. They do not see how changing office use to town homes is advantageous to the community, which is one of the requirements to get a zone change. Other concerns that seemed to be primary to the neighbors included: traffic, school overcrowding, and the impact of new homes on the already over-burdened water utilities. The applicant attended the meeting. He said no builder is designated at this time. They have talked with DR Horton to possibly build the town homes. **The EPC hearing** for the proposed Sector Plan amendment for the Oxbow Town Center is scheduled for **August 8<sup>th</sup>**.

**4. Coors/ Montano 2005 Site Plan:** TRNA's attorney has met several times in the past month with representatives from the City to discuss the date the site plan for building permit expires. The issue is still unresolved. Please refer to last month's newsletter for the discussion of this issue.

**5. ABQ River Plan:** A facilitated meeting is scheduled at the Taylor Ranch Community Center on **August 7<sup>th</sup> at 5:30 pm** to discuss the ABQ River Plan. The Mayor's staff will be doing a presentation on the plan. The Westside Coalition will hold their monthly meeting at 7:00 pm at the same place, right after this meeting ends.

**6. Second shooting Range proposed:** A second shooting range is being proposed on the north east side of Coors and Paseo Del Norte. The shooting range known as Calibers is requesting an amendment to allow the use at this location. They plan to use the vacant Wendy's restaurant and the car wash area to build the shooting range. A facilitator is trying to arrange a facilitated meeting for this project. At this time no meeting has been confirmed.

**7. La Cuentista 60 acre open space proposal:** On July 3<sup>rd</sup> representatives of the Westside Coalition and TRNA joined the property owner to meet with Congresswoman Michelle Lujan Grisham to present the proposal to sell 60 acres of land adjacent to Petroglyph National Monument to help preserve open space land and buffer the National Monument. The Congresswoman was very enthusiastic of the proposal and would see what she could do to help.

## Monsoon Season

Rainer Perez, TRNA Director

NREMT-Paramedic Albuquerque Fire Department

Each year, a variety of weather related dangers affect New Mexico and southwest Texas, especially from late spring into early autumn. The time period from **June 15th through September 30th has been defined as "The Monsoon."** This is a period of extreme heat followed by an influx of moisture leading to daily rounds of thunderstorms. Thunderstorms present an array of hazards which often strike suddenly and with violent force.

In Arizona and New Mexico, lightning strikes, high winds, wildfires, tornadoes, flash flooding and extreme heat have caused an average of 10 deaths and 60 injuries along with tens of millions of dollars of damage each year since 1995 (see [www.ncdc.noaa.gov/stormevents/](http://www.ncdc.noaa.gov/stormevents/)). Road closures, as well as power and communication outages are additional consequences of monsoon weather hazards.

### Flash Flood Safety:

- Flash floods are the #1 thunderstorm-related killer.
- Most flash flood deaths occur in vehicles.
- Moving water 1-2 feet deep will carry away most vehicles.
- Keep children away from creeks and washes when heavy rain is in the area.
- Be especially careful at night when water depth and road conditions are harder to see.
- **Do not enter the Arroyos wet or dry. They are dangerous.**

### Lightning Safety:

- If outside, seek refuge in a car or grounded building when lightning or thunder begins.
- If inside, avoid taking baths, or showers, and washing dishes. Also avoid using landline phones, televisions, and other appliances that conduct electricity.
- Stay inside for 30 minutes after you last see lightning or hear thunder. People have been struck by lightning from storms centered as far as 10 miles (16 kilometers) away.
- If caught outside away from a building or car, stay clear of water bodies and tall objects like trees. Find a low spot or depression and crouch down as low as possible, but don't lie down on the ground. Lightning can move in and along the ground surface, and many victims are struck not by bolts but by this current.
- **Don't forget your Pets!** ®

## National Night Out

**When: August 6, 7:00—9:00 pm**

**Where: Local Neighborhoods**

On the first Tuesday of August, neighborhoods throughout Albuquerque are being invited to join forces with thousands of communities nationwide for the "National Night Out Crime and Drug Prevention Event."

From 7:00 pm to 9:00 pm residents in Albuquerque and across the nation are asked to turn on outside lights, go outside, lock their doors behind them, and spend the evening outside with neighbors and police, who will be out interacting with neighborhoods as well.

Many neighborhoods will be hosting a variety of special events such as block parties, cookouts, parades, visits from police, flashlight walks, contests, youth activities and anti-crime rallies.

National Night Out is designed to:

- Heighten crime and drug prevention awareness
- Generate support for, and participation in, local anti-crime efforts
- Strengthen neighborhood spirit and police/community partnerships
- Renew old acquaintances and establish new friendships by getting to know your neighbors
- Send a message to criminals letting them know neighborhoods are organized and fighting back.
- For information on how to participate, please contact Steve Sink, APD Crime Prevention Unit, 924-3600, or [ssink@cabq.gov](mailto:ssink@cabq.gov). ®

## TRNA SCHOLARSHIP RUMMAGE SALE

September 28, Saturday, 8:00 am—noon

Cross of Hope Church Parking Lot

Seems we just had one of these, right? We DID! In June. But it was so successful, we're scheduling our second one for September this year. Clean out the closets, garage, shed, storage unit, and start putting your sell items together. As you are probably aware, we hold this semi-annually, to fund the scholarships we give out each year.

**Space rental for members is \$6.00** and for non-members \$12.00. Just fill out the form below and mail it along with your check made payable to TRNA. A "space" is one parking space, so if you've got lots of "stuff" you'll probably want to rent at least two spaces. This has become a popular event with good crowds and lots of buyers, so get your space reserved quickly.

**TRNA will have a space** and will sell your donations if you are not able to attend. Please bring them to us that morning. Of course we will always be grateful if you wish to simply send a cash donation to probably the most worthwhile thing we do each year!

**FOOD & DRINKS AVAILABLE!** As always we will have light breakfast items such as chili dogs with jalapenos (if you have not had one for breakfast you don't know what you are missing) and a host of other TRNA favorites.

Many volunteers are needed to make this happen — people to help set up, work the food booth, man the TRNA tables. Contact **Ken Newman at 974-5469** or [Juken1964@q.com](mailto:Juken1964@q.com) if you are willing to help.

Once again we are indebted to Cross of Hope Church for allowing us to use their parking lot. For those who may not know, Cross of Hope is located on Taylor Ranch Road, between Montañño and Golf Course/La Orilla, across from the Don Newton Taylor Ranch Community Center.

Call Ken Newman at 974-5469 if you have any questions. The shady spaces will be reserved in the order in which your reservation is received, so complete and mail the following with your check right way!

## Neighborhood Patrol

Fred van Berkel, TRNA Patrol Coordinator

By now we have all heard (ad nauseam) about what happened in Florida. In response to all this publicity, some folks have inquired about our Patrol.

1. The TRNA Neighborhood Civilian Patrollers ARE NOT ARMED!! They carry phones, not weapons.
2. TRNA Patrollers WORK AS A TEAM (NEVER ALONE)
3. At least one of the patrol partners is certified by APD. APD training stresses that the patrol is to be the eyes and ears of APD, not an arm!
4. TRNA Patrol Cars are clearly marked with TWO SIGNS and YELLOW REVOLVING LIGHT and Patrollers are identified by a NAMETAG.
5. TRNA Patrollers NEVER confront anybody.

Finally: WE NEED MORE PEOPLE to patrol TRNA (two hours/month). APD will be conducting another training class in September if we can get eight people to sign up for it. It is held on a Saturday morning, and last for about 4 hours. To volunteer for patrol, or for more information contact: [patrol@trna.org](mailto:patrol@trna.org) or call me at 899-2738. ®

Tues-Sunday 9 am-5 pm

### Events & Ongoing Exhibits:

**Yoga With A View** — Every Sunday, 8:00 am—9:30 am, outdoors during summer months. Enjoy a 90 minute yoga class with Instructor [Jenny Dominique](#). All levels are welcome. First class is \$5, and class packages are available. Drop in rate after that is \$15.

**Bosque Wild Guided Nature Walk** — First Sunday of each month, 9:00 am. Free but registration recommended a month in advance. Call 897-8831 for details.

**“Alluvial” Art Exhibit** — through Sept. 1st. Multi-media show from selected artists interpreting & exploring the concept of “alluvial.” Alluvial invites us to consider how man’s expansion may indeed alter—even accelerate—natural processes, and how those changes to the land may alter—even belie—our own patterns and behavior.

**Traditions Garden** — This demonstration garden represents several early farming methods and the foods that were collected and cultivated in New Mexico. This is intended to be an **educational garden** where groups can actively take part in its development and observe its successes and failures. Farming methods that will be represented are **terraced arroyo, waffle garden, cobble mulch garden, and orchards.**

### SATURDAY MOVIE MATINEES — August, 1:30-3:30 pm

The fire closures have really made us appreciate our riverside forest and the shade it provides us along its trails. The Bosque is also an important wildlife habitat. August’s matinees feature forests and the creatures affected by human interface. Films are FREE.

Aug 3 — **BAMBI** — Bambi makes friends with the animals of the forest & learns the skills needed to survive. One day, the hunters come, and Bambi must learn to be brave to lead the deer to safety. (Approved: 70 minutes)

Aug 10 — **PRINCESS MONONOKE** — A young warrior journeys to the forests of the west where he encounters a fierce campaign humans are waging on the forest. The Lady Eboshi and her loyal clan use their guns against the gods of the forest and a brave young woman, Princess Mononoke.

(PG: 134 minutes)

Aug 17 — **FERN GULLY** the fairy people of Fern Gully have never seen humans before, but when Chrysta sees one, Zak, she accidentally shrinks him down to her size. But there is trouble in Fern Gully, for Zak is part of a logging team who is there to cut down the forest. (G, 76 minutes)

Aug 24 — **HOOT** — “Hoot” is a film about three middle school children who try to save a burrowing owl habitat from being bulldozed by a developer who intends to turn the site into a pancake house. A hopeful message about children making a difference. (G, 76 minutes)

Aug 31 — **FURRY VENGEANCE** — A real estate developer is about to launch a new housing subdivision project in the pristine wilderness of Oregon. A man-versus-animal farce in which the animals teach humans the environmental consequences of the callous use of nature. (PG, 92 minutes)

## Coffee with Councilor Lewis

Friday, August 9th, 7:30—8:30 am

Starbucks, Riverside Plaza (Coors/Montano Plaza)

Do you have questions regarding upcoming city decisions? Do you need help with something in your neighborhood? Is there something you would like to see happen on the West Side? Once a month on Friday morning, Dan Lewis and a “special guest” meet at local westside businesses throughout the district to meet with you, get to know you and hear your concerns. Stop by on your way to work or come in to grab some breakfast and say hello!

This month’s guest will be Kara Shair-Rosenfield, with City Council—Planning Dept. If possible, **please RSVP to Sara Mancini** 768-3189 [saramancini@cabq.gov](mailto:saramancini@cabq.gov) no later than 4:30 pm on Thursday afternoon so we can make sure we have the appropriate amount of space and coffee available. ®

## Count Our Blessings

We who are fortunate enough to live in Taylor Ranch are part of a wonderful community with many benefits. Where once this was considered “in the boonies,” we are now “location, location, location.” In addition to our proximity to two river crossings, we have our own park (Mariposa Basin), a library nearby, every imaginable shopping venue and restaurant choice, the city’s Open Space Visitor Center, a variety of churches, excellent schools, wonderful “Mom & Pop” businesses throughout, and the great Community Center. If you aren’t taking advantage of all this, you are missing what being a Taylor Ranch resident is all about!

## Don Newton—Taylor Ranch Community Center

# Civilian Neighborhood Patrol Training Class

We are in need of additional individuals to volunteer for our civilian patrol.

APD will provide a free training class in September, if we have 8 people signed up for the class. It will be held on a Saturday morning for 4 hours in a to-be-determined Westside location and date.

Want to learn what APD expects of civilian patrols and how to participate? Take the class and learn! Email [patrol@trna.org](mailto:patrol@trna.org) or call 899-2738 to register.

To submit articles for this newsletter, or to place an ad, contact [editor@trna.org](mailto:editor@trna.org). The deadline is the 22nd of each month.
