

President's Message

Ray Shortridge, TRNA President

TRNA's fall Flea Market is scheduled for September 28, a Saturday, as usual. Invite your friends and neighbors to attend and find great bargains.

As you know, school is back in session, so drive carefully. Students will be standing near the curb waiting for the school bus, or walking to school. Obey speed limits at school zones.

Four major land use issues emerged from the city's Planning Department at the beginning of the summer. The Land Use Committee was busy attending facilitated meetings and drafting TRNA position papers on the issues. They are discussed in greater detail elsewhere in the newsletter. I encourage you to learn about the issues – their outcomes might affect the value of your property. ®

Treasurer's News

Pay Dues Through PayPal

Terri Spiak, TRNA Treasurer

Did you know you can now use the PayPal link on the website to pay BOTH membership dues AND land use fund donations? We are very excited to finally offer this modern option for those who wish to pay dues with a debit or credit card. Of course, you may also send memberships via check and US Mail as always. Now you have a choice!

MEMBERSHIP DUES: To insure that all necessary information is provided, please pay the appropriate dues via PayPal, including mentioning "Membership" along with information such as address/email/phone number. You may then either electronically submit the membership form to treasurer@trna.org or mail it to P. O. Box 66288, ABQ, 87193. I will match the payment to the information received and send an email confirmation to you.

LAND USE DONATIONS: TRNA is still utilizing legal representation for protecting our neighborhood in land use issues in conjunction with the Coors/Montano corner. For this

reason, **we are still in need of donations to our designated land use account** to pay for the legal fees incurred. You may send those donations by check to the PO box or continue to use PayPal. Just be sure to mention "Land Use" in your PayPal transaction. An email confirmation will be sent to you.

If you have any questions regarding this new PayPal option, email Terri Spiak, Treasurer, at treasurer@trna.org or give me a call at 505-879-4995. ®

Social Committee

Ken Newman, TRNA Board Member

Call it Flea Market, call it **Rummage Sale**, call it Parking Lot Neighborhood Market Place ... just come and participate! The next TRNA fund raiser for the Scholarship Fund will be September 28, 7:30 am to 12:30 pm at the Cross of Hope Church. For space, complete & mail the form on page 4 along with your check. Or contact Ken at 974-5469 or Juken1964@q.com. We can always use help working the food stand, or manning the TRNA tables. Please consider donating items to the TRNA Tables! We did so well at the last Rummage Sale that we are in need of a variety of items to sell. If you have "stuff" to donate, please bring them to the TRNA space before 7:30 am. **AND** come prepared to "shop 'til you drop!" Last time we had everything from TVs to hammocks, books to children's games, clothing to golf carts.

Since we are still caught up in the heat of the summer, it's hard to start thinking about the Christmas season ... but mark your calendar for the **TRNA Holiday Luncheon** to be held on Dec 7, 11:30 am to 1:30 pm at the Don Newton -Taylor Ranch Community Center. This is for TRNA members only. Menu will be: Salmon, Steak Kabobs, Ribs, Salad, Mashed Potatoes, Vegetables, Rolls. We will need to know how many want the Salmon, so be sure and specify on the reservation form which will be included in October & November newsletters. As usual, we will also be collecting non-perishable items for our Annual Holiday Basket project for Taylor Ranch families in need. Bring a dessert to share also. Last year we had some amazingly creative dessert dishes, and gave out a lot of really great door prizes. ®

Know When to Call 911

Rainer Perez, TRNA Director

NREMT-Paramedic Albuquerque Fire Department

In an emergency, call 911 or your local emergency number immediately from any wired or wireless phone.

An emergency is any situation that requires immediate assistance from the police, fire department or ambulance.

Examples include:

- A fire
- A crime, especially if in progress
- A car crash, especially if someone is injured
- A medical emergency, such as someone who is unconscious, gasping for air or not breathing, experiencing an allergic reaction, having chest pain, having uncontrollable bleeding, or any other symptoms that require immediate medical attention

Important: If you're not sure whether the situation is a true emergency, officials recommend calling 911 and letting the call-taker determine whether you need emergency help.

When you call 911, be prepared to answer the call-taker's questions, which may include:

- The location of the emergency, including the street address
- The phone number you are calling from
- The nature of the emergency
- Details about the emergency, such as a physical description of a person who may have committed a crime, a description of any fire that may be burning, or a description of injuries or symptoms being experienced by a person having a medical emergency

Remember, the call-taker's questions are important to get the right kind of help to you quickly.

Be prepared to follow any instructions the call-taker gives you. Many 911 centers can tell you exactly what to do to help in an emergency until help arrives, such as providing step-by-step instructions to aid someone who is choking or needs first aid or CPR.

Finally, do not hang up until the call-taker instructs you to.

If you dial 911 by mistake, or if a child in your home dials 911 when no emergency exists, do not hang up—that could make 911 officials think that an emergency exists, and possibly send responders to your location. Instead, simply explain to the call-

taker what happened.

REASONS NOT TO CALL 911

- To report a power outage
- When you want to find out if someone has been arrested or is in jail
- When you are looking for general information or a phone number
- When you are curious why there is a police officer or ambulance is at the neighbours' house
- To find out about weather conditions
- To find out about school/business closings
- For directions
- For a flat tire or if you run out of gas
- For loose dogs in the area
- And the latest one we heard about, when your cable TV isn't working!

For additional information visit: <http://www.911.gov>

Mark Your Calendar!
TRNA SCHOLARSHIP RUMMAGE SALE
September 28, Saturday, 7:30 am—12:30 pm
Cross of Hope Church Parking Lot

Seems we just had one of these, right? We DID! In June. But it was so successful, we're scheduling our second one for September this year. Clean out the closets, garage, shed, storage unit, and start putting your sell items together. As you are probably aware, we hold this semi-annually, to fund the scholarships we give out each year.

Space rental for members is \$6.00 and for non-members \$12.00. Just fill out the form below and mail it along with your check made payable to TRNA. A "space" is one parking space, so if you've got lots of "stuff" you'll probably want to rent at least two spaces. This has become a popular event with good crowds and lots of buyers, so get your space reserved quickly.

TRNA will have a space and will sell your donations if you are not able to attend. Please bring them to us that morning. Of course we will always be grateful if you wish to simply send a cash donation to probably the most worthwhile thing we do each year!

FOOD & DRINKS AVAILABLE! As always we will have light breakfast items such as chili dogs with jalapenos (if you have not had one for breakfast you don't know what you are missing) and a host of other TRNA favorites.

Many volunteers are needed to make this happen — people to help set up, work the food booth, man the TRNA tables. Contact **Ken Newman at 974-5469** or Juken1964@q.com if you are willing to help.

Once again we are indebted to Cross of Hope Church for allowing us to use their parking lot. For those who may not know, Cross of Hope is located on Taylor Ranch Road, between Montaño and Golf Course/La Orilla, across from the Don Newton Taylor Ranch Community Center.

Call Ken Newman at 974-5469 if you have any questions.

Yes, I want to reserve space for the TRNA Rummage Sale on Saturday, September 28, 2013!

Albuquerque, NM 87193

Land Use Update

Rene Horvath, TRNA Director, Land Use

1. Community Activity Center boundaries / Comprehensive Plan Update / City Council - August 19th:

On August 19th City Council finally approved the boundary amendments to the Community Activity Centers (CAC) city wide. TRNA focused on the proposed CAC boundary for the Coors/Montano site, especially since our recent big box controversy. The City and the County collaborated to update the Comp Plan to facilitate receiving Federal matching funds for proposed public housing and transportation projects. This update was to include CAC maps shown in the Westside Strategic Plan (WSSP) that were approved in the last ten years. Unfortunately, staff extended the boundary for the Coors/Montano CAC south to Learning Road without a public meeting. City Planning came up with this boundary alignment at one of their internal meetings based on staff recommendations. This led to TRNA, and the Westside Coalition, to ask for a deferral on final approval until public meetings could be held to determine the reason for the boundary adjustments not only for Coors and Montano but for other CAC's along Coors Blvd. Two facilitated meetings were held on May 29th and July 23rd. TRNA's attorney attended the May meeting. He recommended aligning the CAC southern boundary along Mirandela Road. This alignment closely resembled the already approved WSSP 2003 boundary, and would avoid a possible argument to justify a future zone change based on "changed conditions."

The July facilitated meeting led to discussions over the Comp Plan and its policies. City staff said CAC policies in the Comp Plan discouraged big box development and protected the surrounding neighborhoods. But at the same time, City staff said zoning trumps these policies. The meeting participants asked "Why have a Comp Plan, if zoning trumps policies making the policies ineffective?" Residents also asked about the three CAC's west of the volcanoes - two in the County and one in the City. Were they newly proposed CACs? Was there any notification provided to the public about them? The County spokesperson said the CACs were already approved and notification went to unincorporated areas of the County. Participants expressed concerns that this would create leap frog development, overextend water resources, and the City and County's financial resources, and add to traffic congestion. Because of these issues, the audience suggested that future notification be provided to the WSCOA.

Both facilitated meetings provided residents a better understanding of the Comp Plan update and gave City staff a better understanding of why the Westside residents were concerned about the proposed CAC map boundary

amendments. At the August 19th City Council meeting, TRNA and La Luz testified in support for the Mirandela Road alignment for the Coors/ Montano CAC, and thanked Council and staff for the two facilitated meetings. City Council approved several floor amendments that night. One of the amendments was to extend the Coors/Montano CAC southern boundary to Mirandela road. The other amendment was to withdraw the Quail Ranch CAC from the Comp Plan, since it was located in Rio Rancho. The County now needs to review and approve the update.

2. Coors/ Montano 2005 Site Plan/ When does the 7 year expiration date begin?:

At the May 29th CAC facilitated meeting it was mentioned that the property owner of the Coors/ Montano site was seeking final DRB sign off for their 2005 site plan to build a Walmart grocery store. Meeting participants asked if the site plan for building permit had already expired, since the time limit for site plans is 7 years. Meeting participants were also concerned that the site plan for building permit did not comply with the Coors Corridor view regulations, since it backs up to Coors Blvd. and the Coors Blvd. grade had changed over the years. Our Attorney feels City Council's intentions were to start the clock ticking after EPC approval. Note: City Council formed a task force several years ago to determine when site plans expire. A seven year time limit was placed on approved site plans. The Planning Dept. says the site plan 7 years doesn't begin until after DRB's final sign off. They say site plans are not valid until after DRB final sign off. It's been over 7 years for the 2005 Coors/ Montano site plan, and the property owner is just now collecting final DRB sign off. **The EPC will decide on this issue at the October 10th, EPC hearing.** Our Attorney is preparing for the hearing.

3. Oxbow Town Center/ EPC August 8th:

The property owners for the Oxbow Town Center located on St. Josephs and Coors Blvd held a facilitated meeting in July to present a proposal to change 17 acres of office use to RT, to build single family homes and town homes. The site is currently zoned 30 acres commercial, and 17 acres office. In 2007, the developers originally requested a zone change from 47 acres of apartments to 30 acres of commercial and 17 acres of offices. This became the Oxbow Town Center and was designated a Community Activity Center (zoned SU-3 for mixed use). The neighborhoods liked the 2007 Oxbow Town Center with its main street concept, and supported the proposal. The EPC approved it. In 2012, the property owners requested a zone change to build affordable apartments. The neighborhoods and the WSCOA did not support the proposal, and the County did not support subsidizing it. Now the property owners want to change the 17 acres of office use to single family homes/town homes.

(Continued on page 5)

(Land Use Report, continued from page 4)

The majority of neighborhoods in the WSCOA, including TRNA, voted to not support the zone change. The Town Center with its office and commercial use is important for future jobs needed on the Westside especially along Coors Blvd. which is a major arterial for the Westside. The property owner requested a 30 day deferral. **This moves the proposal to the Sept.12th EPC hearing date.** Another facilitated meeting is being scheduled.

4. Second Indoor Shooting Range proposal/ EPC August 8th: Calibers wants to build an indoor shooting range along the eastside of Coors Blvd north of Paseo Del Norte adjacent to *Grandma's Music*. This will be Calibers' second shooting range in town. They are closing the one at Paseo Del Norte and I-25, but they have another existing indoor shooting range at Cutler and I-25. The Coors Blvd. site is zoned SU-1 for C-1 uses with package liquor within 500 ft of a residential zone and restaurants with full service liquor. A shooting range is a C-2 use. TRNA attended the July 29th facilitated meeting and provided comments on the proposal. TRNA commented that it was inappropriate to mix guns with liquor. TRNA also expressed concern about compliance with the Coors Corridor Plan (CCP) view regulations and design standards and asked whether there would be noise from the shooting range. The applicant's consultant, Ron Bohannon, said they would not serve liquor at this location, and that they would comply with the Coors Corridor plan. They also said some gun noise could be heard from outside the building but would be drowned out from the traffic noise on Coors.

TRNA members took a tour of Calibers at their Cutler and I-40 location. The facility is a nicer looking facility than the one they are closing on Paseo. It is a long building next to the freeway, and has two huge ventilation systems on top of the roof. We heard the gun noise outside of the building at the far end of their parking lot. They are also building a café next door to their Cutler location that will sell beer and wine. TRNA asked the City Planner "shouldn't there be a site plan before being approved?" She said they have 6 months to get their site plan approved or the zone map amendment does not become effective. TRNA sent a letter to the EPC bringing up the above concerns, including the shooting sounds heard outside the building. The Staff Planner recommended approval in the staff report, saying the change clearly facilitates realization of the Comp Plan and other applicable adopted plans. She mentioned there was no objection from adjacent neighborhood, located east of the site, except a concern of whether there would be noise. She also mentioned TRNA's concerns about adherence to the CCP which will be addressed when a site plan for building permit is submitted, and on noise which the applicant says is comparable to the noise on Coors

Blvd. The EPC voted 4 to 1 in support of the shooting range. In the Notice of Decision it says the Planning Director can extend the 6 month time limit for their site plan upon request of the applicant.

5. The Mayor's Bosque Vision Plan/ facilitated meeting: WSCOA held a facilitated meeting on August 7th, at TRCC, starting at 5:30 pm. Fifty people attended. Recently more and more Albuquerque citizens and organizations have expressed concerns about the Mayor's Bosque Plan. They say the plan is vague and they are concerned that too much activity would impact the Bosque environment. Last spring during the budget hearings, City Council approved \$2.9 million from the operating funds to develop recreational facilities in the Bosque. Last June the WSCOA approved two resolutions:

Resolution #1 WSCOA did not support the Bosque Plan as presented, since the plan was vague and it was unclear what impacts the recreational facilities would have on the Bosque.

Resolution #2) WSCOA supported the Extra-Ordinary Facilities Plan which requires that proposed structures such as board walks etc. in sensitive areas must go before the EPC to get approval.

Barbara Baca, the superintendent for Parks & Recreation, and her staff presented the City's proposal. She said there would be no structures built in the Bosque. She said the City's initial focus for Bosque improvements is between Central and I-40, on the eastside of the river. The next phase is between I-40 to Montano. They are proposing one main trail through the Bosque from Central Bridge to I-40. The majority of the meeting participants thought a 10 foot trail was too wide, and did not support using crusher fine on the Bosque trail. Access to the river for the handicapped should be near parking areas. The Bosque trail should also be limited to pedestrians. Overall the participants supported keeping the Bosque as natural as possible with less intrusive manmade activities.

Next meeting on this topic is a **Community Town Hall meeting on Wednesday, September 4th, from 6:00 pm to 8:00 pm, at the Albuquerque Museum, located at 2000 Mountain NW in Old Town.**

6. Volcano Heights/ City Council approved on August 5th:

After 2 years in the making, City Council approved the Volcano Heights Sector Plan. According to Council services the only change that was made to the plan was getting permission from MRCOG to allow access to be closer together along Unser and Paseo del Norte. Access is usually limited to every ½ mile along these corridors to enhance traffic flow. Now it will be closer than ½ mile apart to make the area more pedestrian friendly.

7. Coors Corridor Plan: I recently learned that the Planning Dept. is working on the Coors Corridor Plan again. I'm told they are revising the Coors Corridor Plan in order to add the Coors Corridor Transportation Plan that was approved by the EPC a year ago. We should anticipate other changes too. They hope to present their draft to us this fall and then have it go before the EPC.

Library Update

Ceil van Berkel, Library Advisory Board

Taylor Ranch Library

5700 Bogart St. NW

Albuquerque, NM 87120

(One block west of Unser Blvd and two blocks south of Montañó Road)

Sue Heitz, Manager

505-897-8816 taylorranch@cabq.gov

Hours: Mon. – Thurs.: 10 a.m. - 8 p.m.

Fri. – Sat.: 10 a.m. - 6 p.m.

Sun.: 1 p.m. - 5 p.m.

Special Event:

Sept. 19, Thurs, 6:30-7:30 pm — “American Standard” Concert — A band with an eclectic style that spans the 1950's era to present. All ages welcome, patio setting, lawn chairs & blankets welcome.

Recurring Events

The Taylor Ranch Branch Reading Group: 2nd Saturday of each month (Sept. 14th), 2 p.m. to 3:30 p.m. New members welcome! This month's book, *Suite Francaise*, by Irene Nemirovsky. It tells firsthand the holocaust issues of WWII.

A Good Yarn! Fridays @ 2 p.m. – 3:30 p.m. If you enjoy knitting, crocheting or other needle craft, join our drop-in stitch group. All ages and skill levels welcome. A skilled knitter will

be on hand for instruction and questions. Feel free to come when you can and leave as needed.

Returning for Fall

Tuesdays, 10:30 am, Sept. 10 through Nov. 19. Preschool Storytime, ages 3-5. Join us for stories, songs, rhymes, and fingerplays.

Saturdays, 10:30 am, Sept 14 through Nov. 23. Baby Storytime, ages 0-2. Lapsit storytime, learning games, songs, puppets, movement activities, and fun for everyone!

Coffee with Councilor Lewis

Friday, Sept 6, 7:30—8:30 am

Ventana Ranch Park (Universe & Ventana Village)

Do you have questions regarding upcoming city decisions? Do you need help with something in your neighborhood? Is there something you would like to see happen on the West Side? Once a month on Friday morning, City Councilman Dan Lewis (District 5) and a "special guest" meet at local westside businesses throughout the district to meet with you, get to know you and hear your concerns. Stop by on your way to work or come in to grab some breakfast and say hello!

This month's guest will be David Flores, Parks Department. If possible, **please RSVP to Sara Mancini** 768-3189 saramancini@cabq.gov no later than 4:30 pm on Thursday afternoon so we can make sure we have the appropriate amount of space and coffee available.

[Remember that Taylor Ranch is now divided into two different districts: Roughly south of Montana or La Orilla, it's under the jurisdiction of District 1, Councilor Ken Sanchez. So if you are in his district, address your concerns to his office. All Councilors can be reached via cabq.gov]

Open Space Visitor Center

6500 Coors Blvd NW

East of Coors on Bosque Meadows Rd, between La Orilla & Eagle Ranch.

Tues-Sunday 9 am-5 pm

Events & Ongoing Exhibits (see website for total list):

Yoga With A View — Every Sunday, 8:00 am—9:30 am, outdoors during summer months. Enjoy a 90 minute yoga class with Instructor Jenny Dominique. All levels are welcome. First class is \$5, and class packages are available. Drop in rate after that is \$15.

Bosque Wild Guided Nature Walk — First Sunday of each month, 9:00 am. Free but registration recommended a month in advance. Call 897-8831 for details.

Traditions Garden — This demonstration garden represents several early farming methods and the foods that were collected and cultivated in New Mexico. This is intended to be an **educational garden** where groups can actively take part in its development and observe its successes and failures. Farming methods that will be represented are **terraced arroyo, waffle garden, cobble mulch garden, and orchards**.

LISA W ARNHART, DDS, PC

Family and Cosmetic Dentistry

A Taylor Ranch resident for 14 years, Dr. Arnhart emphasizes gentle, preventative care for the entire family. Come by and visit her modern office and meet her friendly staff. Dr. Arnhart is a Delta Dental Premier provider and accepts most dental insurance. Her hours are Tuesday through Friday from 7:00 am - 3:00 pm.

Dial 89-SMILE or (505) 897-6453

8521 Golf Course RD NW, Suite 116, Albuquerque, NM 87114

Gentle care for the entire family:

- *new patients welcome*
- *tooth-colored fillings*
- *dentures and partials*
- *crowns, bridges and veneers*
- *periodontal treatment*
- *implants*

SUPPORT YOUR TRNA SCHOLARSHIP FUND

September 28, Sat — 7:30 am—12:30 pm

Cross of Hope Parking Lot

Across from DNTRCC

Call it a Rummage Sale, call it a Flea Market, call it anything you please, but come and enjoy the fellowship and lovely weather! Set up your own booth to sell items (see page 4 for details and application), or donate to TRNA's table. Come meet your neighbors, browse the tables, enjoy the food and help raise funds for this worthwhile program.

Our mission is to promote, protect, and improve the quality of life in Taylor Ranch"
